

ZE-10WW1

Light up with: POWER LED

System power: 10 W

Luminous flux: 672 lm

colour temperature: 3000 K

colour rendering index: CRI >80

Power supply: with power supply

connection voltage: 50/60Hz 220-240 V

system efficiency: 67 lm/W

protection class: 1

colour: white

material: Luminaire housing: die-cast-aluminium

version: Clear tempered glass diffuser

protection type: IP65

ldt intern: 7.2021

dimension: L=220*W=100*H=315 mm
