

LUN-13NW7

Light up with: LED

System power: 15 W

Luminous flux: 890 lm

colour temperature: 4000 K

colour rendering index: CRI >80

Power supply: with power supply

connection voltage: 50/60Hz, 230 V

system efficiency: 59 lm/W

protection class: 1

mechanical load: IK10

outside diameter: 235 mm

colour: light grey

material: die-cast aluminum

version: emergency version 3h

INFO*: In emergency light mode 130lm

dimension: H=68 mm

lifespan: L70 B20; 50.000 h

protection type: IP65

EPREL Lichtquelle: [844547](#)
