

## LU-13WW7

**Light up with:** LED  
**System power:** 15 W  
**Luminous flux:** 890 lm  
**colour temperature:** 3000 K  
**colour rendering index:** CRI >80  
**Power supply:** with power supply  
**connection voltage:** 50/60Hz, 230 V  
**system efficiency:** 59 lm/W  
**protection class:** 1  
**mechanical load:** IK10  
**outside diameter:** 235 mm  
**colour:** light grey  
**material:** die-cast aluminum  
**version:** standard  
**lifespan:** L70 B20; 50.000 h  
**dimension:** H=68 mm  
**protection type:** IP65  
**EPREL Lichtquelle:** [844546](#)
