

## WLI-31WW-NT

**quantity lamps:** 1

**Light up with:** LED

**System power:** 29 W

**Luminous flux:** 1501 lm

**colour temperature:** 3000 K

**colour rendering index:** CRI >80

**Power supply:** with power supply

**connection voltage:** 220-240 V

**system efficiency:** 52 lm/W

**protection class:** 1

**mechanical load:** IK08

**outside diameter:** 430 mm

**weight:** 2,202 kg

**colour:** white

**surface:** cover PMMA, opal, round

**material:** lower part aluminium, white lacquered

**version:** emergency version 3h

**INFO\*:** with emergency lighting components from Tridonic

**protection type:** IP44

**dimension:** H=85 mm
