

WLI-25NW-NT

quantity lamps: 1

Light up with: LED

System power: 24 W

Luminous flux: Pendant - for suspension with fast hanger or chain 1m

colour temperature: 4000 K

colour rendering index: CRI >80

Power supply: with power supply

connection voltage: 220-240 V

system efficiency: 45 lm/W

protection class: 1

mechanical load: IK08

outside diameter: 360 mm

weight: 1,764 kg

colour: white

surface: cover PMMA, opal, round

material: lower part aluminium, white lacquered

version: emergency version 3h

INFO*: with emergency lighting components from Tridonic

protection type: IP44

dimension: H=85 mm
