

MET-14WW7

Light up with: LED

System power: 10 W

Luminous flux: 362 lm

colour temperature: 3000 K

colour rendering index: CRI >80

connection voltage: 220-240 V

system efficiency: 36 lm/W

protection class: 1

weight: 0,768 kg

colour: metallized grey

material: die-cast aluminum

version: Light emission directed on both sides

protection type: IP65

dimension: L=220*W=100*H=50 mm

Idt intern: 5.2021
